

Altona Netball Association are proud to host our first "PLAY4BCNA" Pink Sports Day on **Saturday October 26, 2019.**

The Pink Sports Day is a great way to show support, raise funds and have some fun with "pinking up" your teams, the courts, our umpires and committee. Funds raised will be used to support over 19,000 Australians (both women and men) who are diagnosed each year with Breast Cancer. A breast cancer diagnosis doesn't just affect the person diagnosed. It has a ripple effect through families, schools, sporting clubs and their extended community.

How can you be involved?

It's easy!

### Step 1 - Pink Up your teams!

- Players can wear Pink Shoe laces and/or pink knee-high socks.
- Supporters can wear anything Pink – shoelaces, socks, beanies, supports pins, Polo shirts, cap – only limited by your imagination.
- We have merchandise to pre order which can then be worn on Pink Sports Day.
- Orders for shoe laces and socks can be placed and paid for via Willi Tigers team app store. The Club will then place an order with ANA.
- Orders and payment are due by **Friday September 13.**
- Items will be ready for collection on **Saturday October 19.**

### Step 2 – Collection Tins

- It would be great if we could have 2 volunteers for half an hour on Pink Sports Day to walk around with the tins rattling for donations. Email the club to help out.

### Step 3 – Fun Activities

- Do you have an idea for a fun activity to do on the day to help raise funds – maybe a sausage sizzle, cake stall, chocolate toss, face painting, hair spray, etc.
- How can Willi Tigers get involved and have some fun?
- Email the club with your ideas - [willi.tigers@gmail.com](mailto:willi.tigers@gmail.com)

Willi Tigers are encouraging each player in every team to wear either pink shoe laces and/or socks. Let's help turn the Altona Sports Stadium **PINK** for the day!
